3. 26.11.2008 Heard.

The allegation is that for not getting the motorcycle from the parents' house of the deceased bride, the petitioner and his other family members killed her by strangulation. The Post mortem examination report does not support the manner of occurrence. However, learned Additional Public Prosecutor has resisted the prayer by submitting that there is a support of the allegation that the demand of motorcycle was made.

The contention is that the petitioner being the old lady could have nothing to do with the motorcycle which could be meant for the husband of the deceased. The further contention is that there might be existence of some bad relationship between the petitioner and the deceased and that

could also be the reason for implication of the petitioner.

Be that as it may, the petitioner is the old lady who is the mother of the husband. Let her, namely, Urmila Devi be released on her furnishing a bond of Rs. 10,000/-(ten thousand) with two sureties of the like amount each to the satisfaction of the Chief Judicial Magistrate, Aurangabad, in Tandwa P.S.Case No.14 of 2008.
